

1148-1 Series

48-1經濟中控雙球輪系列

48-1 Economic Central Control Twin Ball Caster Series

- 轉動靈活，承載力強，外型設計簡約美觀，兼具經濟性與實用性。
行走平穩順暢，適用各種應用場景。採用高精度滾珠軸承，有效提升耐用性與操作流暢度。
- Smooth and flexible rotation with high load capacity, featuring a sleek and minimalist design that combines cost-effectiveness with functionality. Provides stable and effortless movement, suitable for various applications. Equipped with high-precision ball bearings for enhanced durability and smooth operation.
