

1148-1 Series

48-1经济中控双球轮系列

48-1 Economic Central Control Twin Ball Caster Series

- 转动灵活, 乘载力强, 外型设计简约美观, 兼具经济性与实用性。
行走平稳顺畅, 适用各种应用场景。採用高精度滚珠轴承, 有效提升耐用性与操作流畅度。
- Smooth and flexible rotation with high load capacity, featuring a sleek and minimalist design that combines cost-effectiveness with functionality. Provides stable and effortless movement, suitable for various applications. Equipped with high-precision ball bearings for enhanced durability and smooth operation.
