

O Heavy Duty Kingpinless casters with hardened raceways for greater impact resistance to avoid distortions under heavy load, ideal for towing application in automobile, glass, textile, tyre industries, etc. Patented thread guards and dust covers prevent swivel failure caused by build-up of strings between the wheel and fork legs, as well as the dust in the wheel bearing. Suitable for application with shock loads, towing and uneven floor surface.

Features

Metal Thread Guard(optional)

Plastic Thread Guard(optional)

Swivel W/Center lock(AK type)

tread handness available

Thread guard specially for textile industry(optional)

Kingpinless
